

# NETWORK OF THE FUTURE

Where Innovators Connect

June 4–5, 2019 · Dallas, TX

▶ 2019 Sponsorship Opportunities

Powered by

# READY TO TAKE YOUR SEAT AT THE TABLE?

**Network of the Future** is the premier annual event for thought leaders and other professionals from the Information and Communications Technology (ICT) ecosystem. This is where we learn, showcase and share best practices in advancing security and resiliency technologies—powered by the Telecommunications Industry Association (TIA).

## Attendees include:

- Executives and managing directors with decision-making power
- Service providers and operators
- Industry professionals in business development and marketing
- Industry analysts and trade media
- Engineering and technical telecom practitioners
- Original equipment manufacturers
- Suppliers
- System integrators
- Distributors and operators

## A Special Opportunity

Sponsors of Network of the Future have a unique opportunity to grow their business, help lead the conversation in the development of 5G, and set the tone for what will be accomplished in the emergent space of network virtualization.

## Reserving Your Spot

Sponsorship of Network of the Future 2019 is limited. If you're ready to take advantage of this business opportunity, please email us at [sponsorships@tiaonline.org](mailto:sponsorships@tiaonline.org) to secure or customize your preferred sponsorship investment.

## Network of the Future 2019 // Security and Resiliency

JOIN US AS WE TACKLE ALL THE TOPICS THAT MATTER RIGHT NOW:

Virtualization
